

Welcome Back Owl Class ☺

This year has seemed to go very quickly! Welcome back to your final half term before the Summer. As always, we have a lot of exciting things happening in Owl class. The residential to Lea Green will take place in the first week followed by the residential to Gulliver's Kingdom later in the term. Although we have still got some of our Stone Age Theme to finish, we will also be moving on to a geographical theme looking at natural disasters. Look forward, as always, to seeing you all. Mrs Barrow ☺

If you have any questions or concerns, please come and see me ☺

Literacy

In this term's literacy, we will be looking at the book 'Running Wild' by Michael Morpurgo. It follows the story of a child who, whilst on holiday, is caught up in the aftermath of a tsunami and has to learn to survive in the rainforest with just an elephant for company. During this half term we will also be looking at a variety of non-fiction texts based on our geographical theme.

To enhance your child's writing, individual reading, handwriting and SPAG sessions will continue to take place each week. Please continue to support Owl Class by completing spelling homework and reading at home.

Geography

This half term our theme is Geography based. We will start by looking at both human and physical geography before looking in more detail at the Earth and how its structured before learning about a variety of natural disasters.

Science

This half term, Owl class will be exploring the theme of 'forces and magnets'. We will start by looking at the different forces and thinking about how forces impact on our everyday lives. We will have the opportunity to carry out some practical tests and discuss the various ways to measure forces.

Computing

Your child will have focussed Computing lessons each term. This term, the focus will be on looking at digital media and stop frame animation.

During theme lessons, we will be using the internet for research, in order to develop digital literacy skills.

Homework

Spelling tests will take place on Thursday mornings and spellings will be handed out on the Thursday for the following week. The lists can be found in reading diaries.

Reading

Please hear your child read and record this in your child's diary. This can be a school reading book, an online reading book or a reading material of your choice at home. Weekly comprehension will take place in class.

Maths

Online maths work is accessible at www.mathletics.co.uk, <https://ttrockstars.com/> and on purple mash.

It is also very important to practise times tables regularly at home.

SPAG

Children will be given weekly spellings every Thursday for a spelling test the following week.

Maths

Week 1 – Addition, Subtraction, Multiplication and Division

Week 2 – Measurement

Week 3 – Measurement

Week 4 – Fractions

Week 5 – Fractions

Week 6 – Statistics

Week 7 – Consolidate and Revisit

Music

In music the Owls will be focusing on the 'Rock and Roll' movement. This will involve using a combination of prior skills including body percussion, taking part in a group performance, singing and following simple notations.

Art and Design Technology

This half term we will be looking at Art inspired by natural disasters.

PE

PE will take place every Wednesday afternoon. Children will need to arrive dressed in their PE kit for the day.

Polite reminder: Please ensure children have appropriate clothing for outdoor PE e.g. trainers, hoody, coat and hat. They must also bring a water bottle.

Swimming

Swimming will take place on Thursday mornings. Children are required to bring a swimming kit. Please see swimming letter for further information.

RE

Our key question this half term is

- Why do people pray?

PSHE

Our scheme of work this half term covers Relationships and Growing Up. This will involve talking about changes that we go through as we get older, gaining a better understanding of ourselves and our boundaries and personal care such as hygiene.
